Involvement Hours

According to the gospel of St. Mark, “Anyone among you who aspires to greatness must serve the rest, whoever wants to rank first among you must serve the needs of all.” When the bishop lays his hands on you during your Confirmation and seals you with the Holy Spirit you are saying “Yes” to the mission of Jesus. In other words ***you are choosing to live a life of service.***

Living a life of service and being involved means keeping your ears open for possible serving situations. People in need live in our neighborhoods, our local church community as well as in our city, nation and the world. Our goal is to have you become involved at St. Bronislava and in our local community.

Involvement opportunities are posted in the bulletin, on our website, and in the gather space. There are many ways to be involved at St. Bron's and in the community.

Involvement hours DO NOT include helping your friends or family members; we should always care for and visit our elderly or ill relatives. Involvement hours must be above and beyond what you should be doing for friends and family. Babysitting and raking leaves for friends and neighbors is not community service. That's not to say you shouldn't do things to be nice, those things are just not counted toward your requirement. Only work done for charitable non-profit organizations are eligible hours—work done at for-profit business are not considered involvement hours. Hours completed during the school day, or as part of a school class, are also not considered involvement hours.

Carryover

- ◆ Hours are accumulated from seventh grade on. You are encouraged to continue to go above and beyond the “requirements.” At the end of each school year, awards are presented for students with the highest number of hours.
- ◆ Your hours are not stackable from year to year. Each year you must complete the required number of hours in that year. We are flexible as to the months that overlap. For example, if you worked the summer before you entered 8th grade, those hours can either go to finish up your 7th grade requirements, or if you already have earned your 7th grade hours, they can count toward the start of your 8th grade requirements.
- ◆ If you have not been a member of Saint Bron's in 7th and 8th grade, please let us know and we will adjust your minimum requirements accordingly.

All hours must be signed by the individual in charge of the event including a phone number for the individual. Parents are not allowed to sign for a student unless the parent was the group leader of the event. ***All forms must be submitted within 90 days*** of the date of event to be counted. Forms are located outside of “The Rock”. This is also where you drop off completed forms. Forms can also be downloaded off the parish website at: www.stbrons.com - ***youth ministry tab.***

We can only give credit for a maximum of 10 hours for any one “Non” St. Bron's event. Example: If your teen works at the concession stand for Hockey games, the total amount of hours for 1 year cannot exceed 10 hours. If your teen is involved in an on-going community event that you feel should be counted, contact Julie Studinski to discuss.

If you ever have any questions, feel free to contact the Religious Education office.

A major emphasis at St. Bronislava is the role of the parents/guardians as the primary educators of their children. We have catechists and volunteers giving their time, talents, and energy in our parish Religious Education and Youth programs, so as to teach and to assist you and your children into a deeper relationship with Christ. These are the moments we are to continue to discover God's good gifts in ourselves and in each other.

“For God so loved the world ...” John 3:16 is arguably one of the most familiar, most memorized, most quoted, most beloved, most likely-to-be-held-up-at-a-sporting-event passage in all of Christian Scripture. A very literal reading of John 3:16 -- believe that Jesus is the Son of God and you'll go to heaven. Nothing else matters.

Arguably the most important part of the verse is right there at the beginning: "God so loved the world..." Rather than being a stand-offish creator, who simply set things in motion and went away, God is involved in an ongoing relationship with the creation, remains a part of it, and passionately cares for it.

Wouldn't we really want to occasionally see something more? Think about... maybe Mark 10:21 - "Sell what you have and give it to the poor", or Matthew 5:43 - "Love your enemies and pray for those who persecute you", or even Micah 6:8 - "What the Lord requires of you: Only to do the right and to love goodness, and to walk humbly with your God".

So – in a nutshell – here is how you can come to understand John 3:16 ... God loves this world so much that God enters the world, is in relationship with us, comes to us in the person Jesus, calls us to trust in the vision of life that Jesus proclaimed, and bids us to give our hearts and lives to following and seeking and serving, and thus experiencing that quality of life called eternal.

Please pray for all of us as we enter into this exciting year of Faith Formation!

For God So Loved the World... a good argument to tell the people all about Christ, how they need Christ, and that Christ is the fulfillment of their hopes and expectations, how Christ continues now in the Church, in its sacraments, in its community and the place to meet Christ now is in the Church universal.

We ask that you:

- Attend Mass together weekly as a family. Family participation in a parish Mass celebration is fundamental in the overall Religious Education of our Catholic faith.
- Pray regularly as a family. Encourage your children to share prayer and actively participate in Mass. Special observances of the Church seasons would make Jesus more alive in your family.
- Read, and if necessary, respond to all communications sent home. Letters are one way of keeping you informed of what your child is learning and of important information about the program schedule or offerings.
- Volunteer your services. It takes the time, talent and resource of our entire parish community to provide excellent religious education programs for our children and youth. We are asking all members of our adult community and all high school youth to take a moment to consider what gifts they can offer.

A Prayer.... God So Loved Us

May God give us grace to follow in the footsteps
of the One who loved us enough to become one of us
to show us how to love one another.

O Christ, as much as question as you are an answer,
as much as prodder as you are a comforter,
save us from too much gazing into the clouds in hopes of your return ...
lead us instead to recognize you as already present
in the face of our neighbor ... that by sharing your love,
we may declare with our lives that you are indeed with us always. Amen.

“The right and duty of parents to give education is essential, on account of the uniqueness of the loving relationship between parents and children...It is irreplaceable and inalienable, and therefore incapable of being entirely delegated to others or usurped by others. ...The most basic element (of this education)...is parental love, ... with the values of kindness, constancy, goodness, service, disinterestedness and self-sacrifice that are the most precious fruit of love.”

The Office for Marriage & Family Life places itself at the service of parishes and families so that they can answer the call to holiness and become communities of life and love in Jesus Christ.

Catholic Faith Formation

Grades 1-5

Our program, grades 1-5, use the Faith & Life series textbooks in the classroom. In union with the Diocese of La Crosse, Office of Catechesis and Evangelization, we integrate their Religion Curriculum into our lessons. To view the Parent Version of the Dioceses of La Crosse Religion, go to <http://diolc.org/catechesis/religion-curriculum>.

Teens grade 6-9

Students in grades 6-9 experience a combination of Life Teen’s middle school Edge program Encounter Bible Study, One Eight Confirmation program, and the Chosen program.

Ultimately, the goal of these dynamic programs is to win over the hearts of teens that should mold them into life long disciples of Christ. This is done by offering a model of faith formation that aims to present the truths of the Catholic faith in a hands-on and relevant format. It allows the teens to learn about their faith through talks, skits, videos, small group discussions and a generous exposure to prayer.

Program Policies

It is important that we create an environment of safety and respect that promotes learning and cooperation. The following plan will be implemented in our building to present an orderly, respectful and welcoming religious education program. The following guidelines will be followed throughout the year.

When attending Mass, classes or visiting the Church building we expect....

- Children should not use the personal items located in the classroom desks. (those items are the personal property of the children attending St. Bron's Catholic School)
- Practice of reverence, including blessing self when entering & exiting the church, genuflecting before & exiting pew, and avoiding personal conversations while in the church.
- Single file lines in the hallways & in route to Church. No running or loud voices in the hallways. No chewing gum in Church or classrooms.
- Hats will not be worn in the building. (unless there is a medical reason)
- Shirts will not have offensive words or pictures.
- Skate/roller shoes will not be worn in the building.
- After class, children are to remain inside building or on the sidewalk until their transportation arrives. No playing on playground equipment without parental supervision.
- I-pods and other electronic devices are not allowed at any time.
- Cell phones are only allowed for calling parents when necessary after class, no other use will be allowed.

Respect:

- An atmosphere of learning is built upon respect and concern.
- Boundaries will be set to promote learning and cooperation.
- Honor our catechists who share time, talent and often their treasure with your children.
- Respect for all property must be fostered.

Sharing:

- "We share because we are grateful."
- Parents may be asked on occasion to provide treats to share.
- A spirit of generosity motivates various collections for the needy.

Tuition:

- *No one will be denied a religious education for financial reasons*, if you are unable to pay tuition in full at registration, installment payments can be arranged with the Religious Education Office by calling 341-6700.

Inclement weather:

- If the Stevens Point Public Schools cancel classes due to a storm, all evening RE classes will be cancelled. When a storm occurs and the Public Schools have not cancelled their classes, please call to confirm that RE classes have been cancelled, a recorded message will be available at 341-6700 or check www.stbrons.com.

Gospel Time

Sunday during 10:30 Mass

(Preschool – 1st Grade)

Beginning in October the Spirit touches the lives of our little ones in their own Liturgy of the Word. They are called from the parish assembly to the Joseph Room where the Gospel story is told and children are engaged in song and/or activity as a response. Children return to church for the Eucharistic Prayer. If you have any questions regarding Gospel Time, call Jody at the Religious Education Office (715-341-6700 ext. 107).

RCIC - The Rite of Christian Initiation of Children (RCIC) welcomes those children and youth who are coming into the Catholic Community for the first time or returning after a prolonged absence. These children and youth will celebrate the Sacraments of Initiation – Baptism, Eucharist and, if appropriate, Confirmation – on Holy Saturday at the Easter Vigil Liturgy. For more information, please contact Jody at the Religious Education Office (715-341-6700 ext. 107).

RCIA - The Rite of Christian Initiation of Adults (RCIA) welcomes those parents and adults wanting to join the Catholic faith or haven't received Sacraments of Baptism, Reconciliation, Holy Communion or Confirmation. For information regarding RCIA, please contact Deacon Vern Linzmeier at 715-344-4326 ext 101 or vern@stbrons.com

Program Policies Continued:

Attendance and Punctuality:

- Classes are important! Regular attendance is required to maximize learning and a sense of community. If a child is absent without previous notification, a call may be made to the parents.
- **If your child will be absent due to illness or family emergency, please call the RE Office at 341-6700 to notify us.**
- Classes begin promptly; be on time. Each minute counts.
- Pick up students on time.
- Students requesting early dismissal must have a written note from a parent or legal guardian.
- Confirmation is a 4-year commitment in grades 7-10 and attendance is very important. Parents may be asked to meet with the Director or Pastor if students miss more the 2 classes in a school year.
- Students who miss more than two classes during the final year of preparation may be asked to wait until the next year to receive the Sacrament.

St. Bronislava RE Drop-off & Pick-up Information

St. Bronislava's Religious Education program has developed drop-off and pick-up procedures to help promote safety and traffic efficiency in our parking lot. We must enforce these procedures and we need the patience, consideration and cooperation of each parent and driver.

The first few weeks of RE classes are notorious for traffic jams in the parking lot. Parents should follow the flow of traffic (see map on page 8-9), stay in their cars (if in the pick-up or drop-off line) and follow the procedures to alleviate many of the headaches and to expedite the pick-up/drop-off traffic.

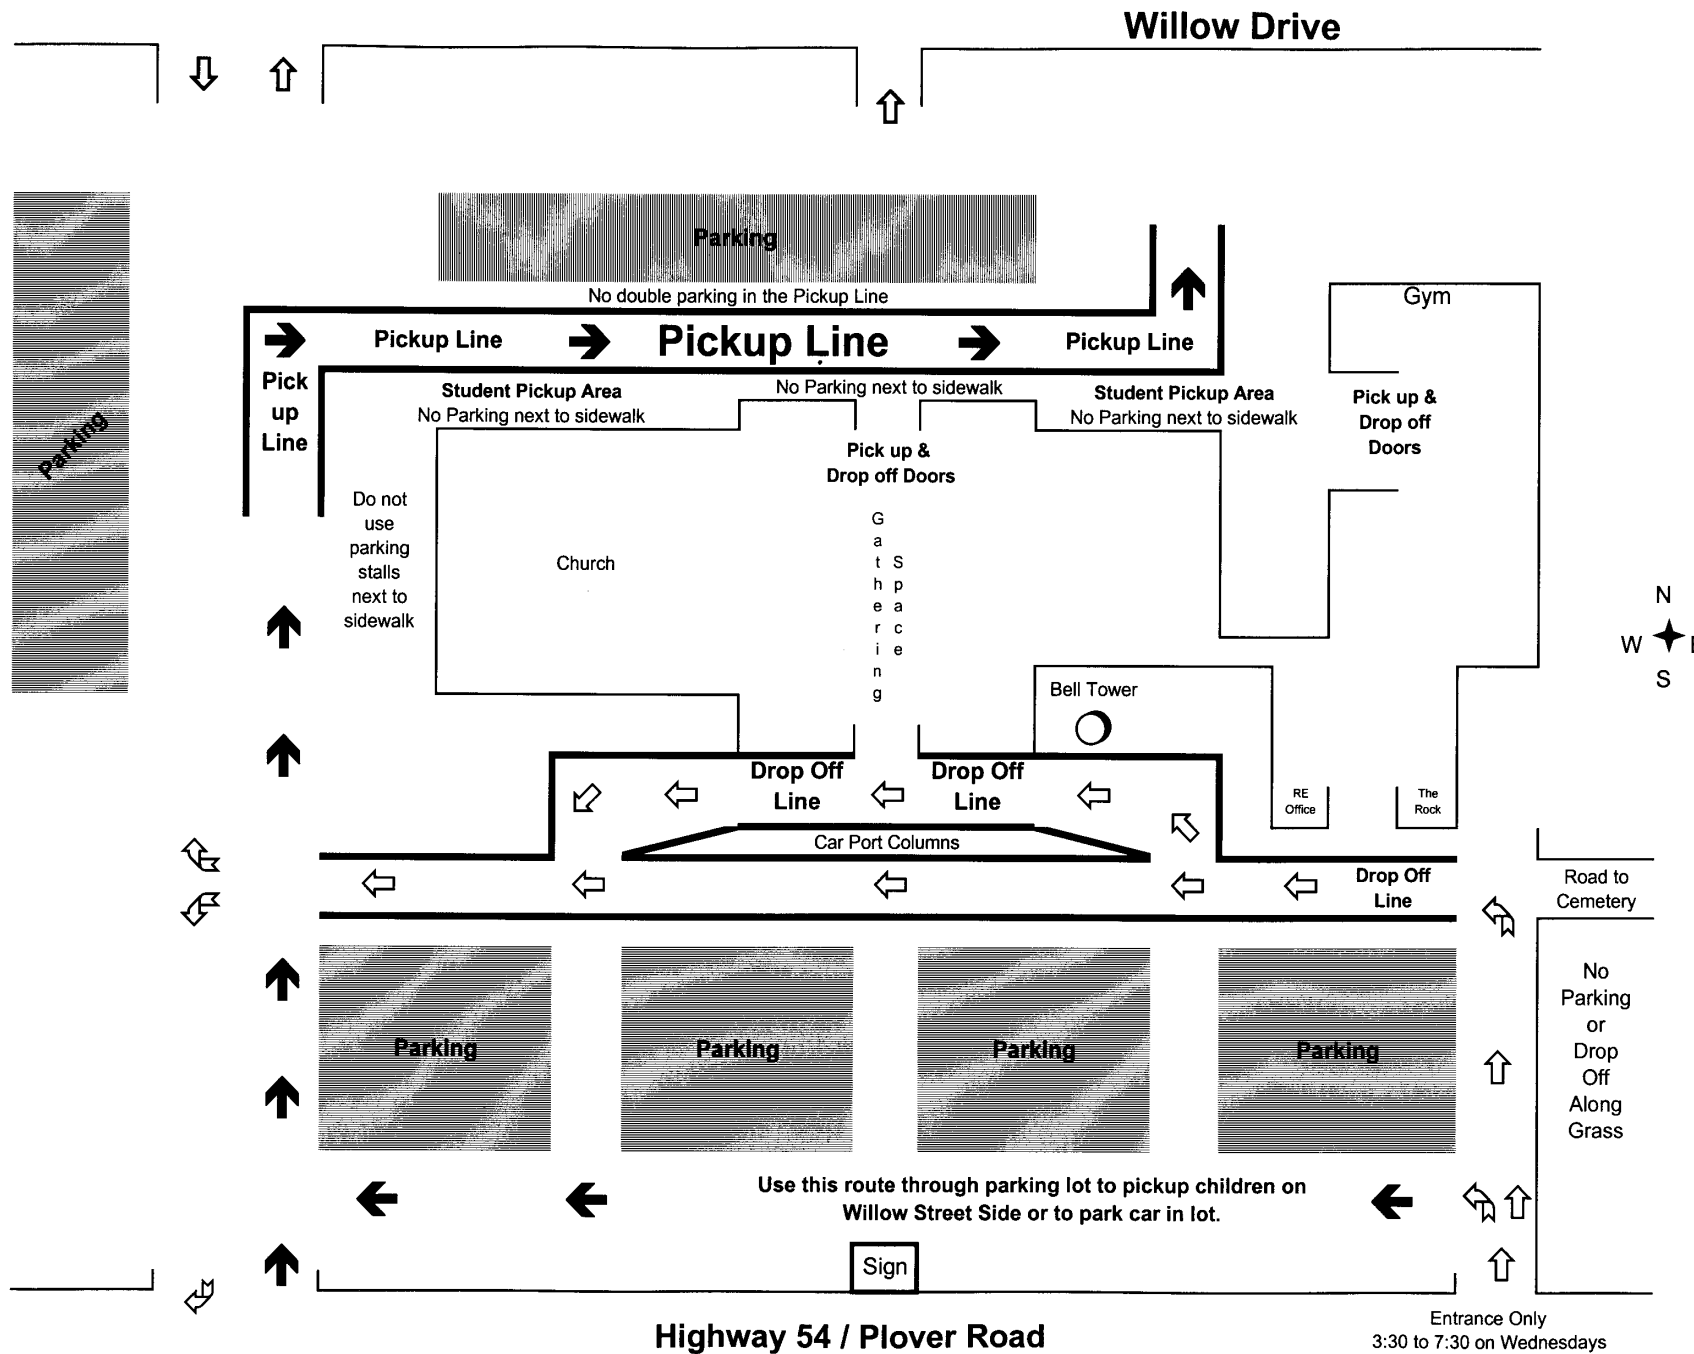

Each week, all students will report directly to the church for opening prayer and brief announcements, talk, or activity. We will begin large group prayer promptly at the start of class. Any students arriving during prayer will be instructed to enter the church reverently, locate their seat, and join in prayer. After prayer, students will be led to their classroom by their catechist.

At dismissal time, 1st & 2nd grade students should be picked up from their classroom and teachers/volunteers will escort the 3rd - 6th grade students to the designated sidewalk areas on the North (Willow Street) side of the building. "Loaded" cars will then drive away as the pick-up line continues to pull forward for "loading."

No students should walk across a line of cars unescorted by an adult. Parents may opt to park in the parking lot instead and walk across the line of cars to retrieve students from the sidewalk, and then escort them back to the car. Parents are asked to assist in keeping students safe by reminding their child of this procedure.

Students in grades 7-9 should enter the main doors under the carport.

**Would you volunteer for 15 minutes each Wednesday to assist in further enforcing parking lot safely? We need 1-2 adults on the "pickup" sidewalk at the following times on Wednesdays... 5:10-5:25pm & 6:40-6:55pm. *Contact Jody in the Religious Education office for more information.*

Parking Lot Instruction & Safety

Drop-off and pick-up times present potential dangers in the parking lot. To ensure safety for all the young people, please read this carefully and be sure to follow all instructions implicitly.

- ◆ We highly recommend that 1st & 2nd grade students be escorted into the church and from their classroom by an adult. They should not be walking through the parking lot unescorted.
- ◆ All drivers dropping off students must enter the southeast Hwy 54 parking lot driveway, then follow the **one-way traffic** path to drop off students next to the sidewalk on the south side of the building. Students should enter the main doors under the carport
- ◆ The line of traffic along the west and north sides of the building will be for pick-up from the school and north Gathering Space. **No pick-ups for grades 1-6 are to be made on the south (Hwy 54) side of building.**
- ◆ **All traffic must continue in a one-way direction** as indicated on the map, stopping only to allow children to enter and exit cars.
- ◆ Children must **enter and exit cars on the right side**, going directly to the sidewalk and avoid walking in between cars.
- ◆ When waiting in the “drop-off” or “pick-up” line, vehicles should pull as far forward in the line as possible.
- ◆ **Cars are not to be left unattended while in the drop-off or pick-up lines.** Traffic must flow as quickly and efficiently as possible. Parents desiring to speak with another adult or student should do so by parking their car in the designated parking lot.
- ◆ Drivers should be extremely cautious and maintain a **slow speed** near the building and in parking lots. If parked, avoid backing up into a traffic path.
