Just a few notes:

Please be here 45 minutes before your mass time.

If you cannot make it to your scheduled mass, it is your responsibility to find a substitute.

If there is a last minute emergency or you cannot find a substitute let me know and I'll work something out.

Mayakla and Connor are both new and still in training. Welcome and thank for volunteering, we're very happy

Cindy is taking September and October off.

Please make sure you look nice when you cantor. This means no blue jeans.

Starting in September there will be a choir at the 10:30 mass.
