### Service

Youth volunteers offer junior service with our Advance Team to support the Special Needs Pilgrimage. Service duties include: dining room, housekeeping tasks, hospitality, transportation for all outings to masses, processions, tours and visits as well as the final clean out.

### Prayer

Youth volunteers pray with and for our pilgrims as a daily part of their service through the Rosary, Eucharistic and Rosary Processions and visits to the Grotto.

### Catechesis

Youth Chaplain and Catechist provide daily catechesis developing the **Message of Lourdes** through the sacraments. Our youth are **LEARNING** the Message of Lourdes in daily catechesis modules, **LIVING** the Message of Lourdes in Service to the pilgrims and **LOVING** the Message of Lourdes in their time spent in Lourdes.
